Lori's Celebrates Grand Opening in Houston, Texas

Texas Children's Pavilion for Women Hosts Opening for New Lori's Store

HOUSTON, TX. (May 27, 2025) — Lori's celebrated the grand opening of its newest location, Store #679, at Texas Children's Hospital Pavilion for Women in Houston, TX, on May 27, 2025. The event was filled with excitement as hospital staff, guests, and Lori's team members came together to mark the beginning of this new location. The energy and enthusiasm from the community made the celebration a memorable start to this next chapter.

John Martinez, Market Director at Lori's Gifts, shared his thoughts on the opening: "From day one, the team at Texas Children's has shown us nothing but warmth and support. It's been amazing to watch the staff's reactions as they explore the new store and discover items that bring a little joy to their busy days. Partnering with such a dedicated hospital community is incredibly meaningful, and I'm proud to be part of this launch. A special thank you to the hospital's leadership and support staff for helping make this transition so smooth—we're looking forward to building something truly special here."

Texas Children's is committed to creating a healthier future for children and women across the global community through its leadership in patient care, education, and research. The organization takes pride in the daily efforts that contribute to the remarkable medical outcomes and discoveries achieved by each of its institutions.

As one of the nation's largest and most comprehensive pediatric and women's health care organizations, the scope and impact of Texas Children's is substantial. The system sees nearly 4.9 million patient encounters and welcomes nearly 7,000 births annually. More than 2,000 medical professionals serve across 40+ sub-specialties. Texas Children's Hospital is consistently ranked among the top four pediatric hospitals in the country by U.S. News & World Report and serves as the academic partner and principal teaching site for Baylor College of Medicine. The organization also leads in advancing cures for neurological diseases.

Lori's Gifts offers a wide range of practical and enjoyable products, providing a convenient and pleasant shopping experience for patients, families, hospital staff, and volunteers. With three distinct areas—Gifts, Fashion, and Marketplace—our stores are dedicated to bringing joy and comfort to everyone who visits.

###
