### *Mt Carmel Dublin Hospital Hosts Ribbon Cutting for New Lori's Location*

DUBLIN, OH (AUGUST 11, 2025) – Lori's Gifts is pleased to announce the opening of its second GO Market by Lori's location at Mount Carmel Dublin, further expanding this innovative retail concept and deepening its partnership with Mount Carmel. This opening marks another milestone for GO Market by Lori's, with additional locations already planned to bring modern, convenient retail experiences to hospital communities.

Mount Carmel Dublin is part of a new 35-acre, state-of-the-art medical campus featuring a 60-bed hospital, a full-service emergency department, and a broad range of specialized services, including primary care, orthopedics, neurology, cardiology, and surgical specialties. The campus also offers community health and wellness programs designed to support patients, families, and visitors beyond their hospital visit.

GO Market by Lori's provides a 24/7, checkout-free shopping experience designed specifically for today's hospital environment. Powered by AI technology and developed in partnership with AiFi Inc., a leader in camera-led spatial intelligence, the market allows guests to enter, select what they need, and leave without waiting in line. This innovative format ensures speed, convenience, and accessibility at any hour, giving patients, visitors, and hospital staff an easier way to access essentials and thoughtful items.

In addition to convenience, GO Market by Lori's supports the hospital community by providing a carefully curated selection of snacks, beverages, personal care items, and gifts for any occasion. Each product is chosen with the needs of patients, visitors, and hospital team members in mind, helping to make every visit a little easier and more enjoyable.

At its heart, the Mount Carmel Dublin GO Market is designed to bring both convenience and care to every guest. The space offers a seamless, stress-free shopping experience while providing products that support, uplift, and inspire. Whether picking up essentials, snacks, or a thoughtful item for someone in the hospital, visitors and staff alike will find a welcoming environment that reflects the compassion and community spirit at the core of Mount Carmel Dublin.

With the opening of this location, Lori's Gifts continues to innovate in hospital retail, creating spaces that combine technology, thoughtful service, and a commitment to improving the patient and visitor experience. GO Market by Lori's exemplifies the company's mission to be a trusted place for joy, comfort, and support when it's needed most.
