Lori's Celebrates Ribbon Cutting in Stamford, Connecticut.

Stamford Hospital Hosts Ribbon Cutting for New Lori's Location

STAMFORD, CT (FEBRUARY 3, 2026) — Lori's Gifts is proud to announce the opening of its newest location at Stamford Hospital in Stamford, Connecticut. Now open, the store invites patients, visitors, volunteers, and hospital staff to discover a carefully selected assortment of gifts, everyday essentials, and comforting finds—all chosen to bring a little brightness and support to every visit.

Designed with comfort and ease in mind, the space offers a calm, approachable shopping experience for everyone who walks through the door. The assortment spans meaningful gifts, thoughtful pick-me-ups, wellness favorites, refreshments, and practical items for extended stays. Each product is intentionally chosen to support patients, visitors, and hospital employees alike, making it easier to find exactly what's needed during moments that can feel overwhelming.

"We're incredibly proud to partner with the leadership team at Stamford Hospital," said Tracy Sinnott, Area Vice President at Lori's Gifts. "Their commitment to creating a supportive, welcoming environment for patients, families, and staff aligns closely with our own mission. This new location allows us to better serve hospital employees during their busy days, while also providing patients and loved ones with thoughtful options that offer comfort, care, and a sense of connection when it's needed most."

"Stamford Hospital plays an essential role in its community, and we're honored to be part of that environment," said Andrew Dutka, Market Director at Lori's Gifts. "This partnership allows us to support patients, visitors, and loved ones with convenient access to meaningful gifts and everyday necessities, while also serving the hospital team members who give so much of themselves each day. We're excited to grow alongside Stamford Hospital and contribute to the care experience in a meaningful way."

As Lori's Gifts continues to expand its presence across hospitals nationwide, each new location is guided by the same purpose: to support those who care for others and to bring moments of comfort to patients and their loved ones when they need it most.

###
